The back of the surface of this Lectern provides the possibility of attaching an Alulon Poster System (Ref: 10571) to place a banner and customize the look of the lectern. For more information, see Signage chapter.

INFORMATION

This aluminium lectern includes a 19mm thickness white wooden reading surface with a matching aluminum post and circular base offering modern visual displays. The reading surface on this lectern includes a book stop to support your notes during a presentation for award recipients, sheet music for a performance, or a seating chart to assist a hostess, also it features an adjustable angle view for the reading surface. With its sleek contemporary design, this podium is easy to assemble, requiring only a screwdriver and a few minutes. Its silver aluminum pole and base are durable and will last through years of performances and presentations This stylish yet affordable lectern is a great addition to any presentation space, such as auditoriums, restaurants for menu displays or convention centers to attract the attention of your audience.

TABLET HOLDER
INFORMATION

This stunning wooden lectern does not require the use of any tools for its assembly thanks to its Patent System. Each of its 10 pieces is designed to complete a sturdy and firm structure in very few steps. It is made of 16mm thickness Waterproof MDF Wood with a natural stylish grey finish. It features one shelf in the interior of the lectern, so this way, the extra brochures, business cards and documents can be stored out of sight so your exhibition always appears clean and organized. Also, it features a 318x207mm holder at the top surface for placing securely a tablet. The Fast Wooden Lectern is ideal for being used at auditoriums or convention centers to attract the attention of your audience.
